BDI earns recognition from John Deere for “Manufacturing Support”

Indore, India – **B.D.Industries (India) Pvt. Ltd. (BDI)** has earned recognition for Manufacturing Footprint Support for the year 2019 from John Deere. The Mumbai headquartered company was selected for the honour in recognition of its dedication to providing products and service of outstanding quality as well as its commitment to continuous improvement. Company employees accepted the recognition during formal ceremonies held on 19-March-2019 in Indore (Madhya Pradesh state, India).

BDI is a supplier of **Rotomolded plastic components** to John Deere India's operation in **Pune and Dewas**.

Suppliers who participate in the Achieving Excellence program are evaluated annually in several key performance categories, including quality, cost management, delivery, technical support and wavelength, which is a measure of responsiveness. John Deere Supply Management created the program in 1991 to provide a supplier evaluation and feedback process that promotes continuous improvement.
